Dear Judge Altman:

Kindly please find attached the Defendants' Response in Opposition to Plaintiff's Objections to the Magistrate's Order Denying Motion to Compel Discovery Responses and Initial Disclosures. The ECF/Pacer System is malfunctioning and not permitting me to access my account to making filings. The website appears to fail to send an email with a code to my primary email address (which has not changed), or any secondary email addresses, resulting in the ability to access my ECF account in any manner. ECF/Pacer is also closed and unavailable to provide any technical assistance. Therefore, we will address this technical issue as soon as possible and provide the Court with this filing. Therefore, to ensure we meet our deadline to respond today, we are submitting to the Court via email and will ensure that the Pacer system accepts the filing as soon as possible. We apologize for the inconvenience, as we wish to ensure a timely response is filed. We have copied all counsel of record in the ECF system on this email.
